About El Nativo Growers

For over 20 years, El Nativo Growers has worked to beautify Southern California's natural and urban landscapes using an extensive pallet of regionally appropriate plants. El Nativo Growers services all facets of the wholesale industry - landscape contractors, designers, architects, retail nurseries, municipalities, revegetation organizations, brokers, consultants, and other wholesale nurseries. Our owners and staff take pride in providing timely, expert, and honest service.

El Nativo Growers specializes in high quality plants from California, Australia and other Mediterranean climates that thrive in the Southern California environment. Our species list consists of unusual, hard to find, and standard stock material, the majority of which are drought tolerant.
